From (Name) M.R.Ry H.Ramayya Shetty Avl.,

(Designation) President, Taluk Board, Udipi.

To The Secretary to the Government of Madras,

Public Health .. Department.

Through The President, District Board, South Kanara.

Sir,

I have the honour to submit herewith a resolution No. 350 dated 31st January 1933 of the Taluk Board, and to state as follows : -

Palimar is a village with a population of about 2500/-. For about 5 villages near it there is no dispensary either of the Taluk Board or of private Medical practitioner, to meet the requirements of the villagers. There is however a regular dispensary at Moolky owned by the Mangalore Taluk Board, but this is a place 2 miles off

Palimar with a river between. Of late great progress has been made by the villagers of Palimar in the matter of -- rural reconstruction and the desire of the villagers of Palimar and its suburbs for a rural dispensary seems to be a real one. As regards Hungarcutta, I may be permitted to state that it is a good trading centre. It is one of the important Ports and there is a Port office. I learn that about a decade back there was a Port Health officer who would treat the patients there. There are no dispensaries near by and the abolition of the Post of the Port Health officer has rendered the poor folk of the locality chiefly among whom are the people of the fishermen community, to suffer for want of adequate medical relief. The request of the residents of Hungarcutta is one which deserves sympathetic consideration."

I therefore request that the Government may be pleased to sanction two subsidised rural dispensaries for Palimar and Hungarcutta.

I have the honour to be,

Sir,

Your most obedient servant,

President.
